JUDGE # 1

Patricia Miller, currently the Aquatic Education Program coordinator for the Tennessee Wildlife Resources Agency, has more than 20 years experience in the natural science and education fields. Former positions held were curator of education and naturalist in several museums and nature centers in the Southeast and wildlife biologist with the Tennessee Wildlife Resources Agency.

JUDGE # 2

Don Wick has been a member of the Information and Education staff of the Tennessee Wildlife Resources Agency since 1991. His responsibilities include work in publications, radio and video productions. He is former television director and documentary producer. In the print media, his credits include publication in more than 600 newspapers and magazines throughout the United States, Canada and Europe.

JUDGE # 3

Patricia Warr is the insider editor for the *Tennessee Wildlife Magazine*. She has a degree in biology with a minor in English from Austin Peay State University in Clarksville, Tennessee, and has been involved in writing and editing since 1970. In addition to writing original articles and editing submissions for the *Tennessee Wildlife Magazine*, she has also done freelance writing.
