JUDGE # 1

Kayla Hastie is a public information specialist with U.S. Fish and Wildlife Service's (USFWS) Ecological Services office in Athens, Georgia. She is responsible for working with state and regional media on issues such as endangered species, wetlands, private lands programs, conservation partnerships, national wildlife refuges and migratory birds. She also coordinates communications between USFWS and congressional offices in Georgia.

JUDGE # 2

Jimmy Jacobs is an editor with Primedia, Inc.'s Game and Fish publications in Marietta, Georgia. For more than a decade, he has edited *Alabama Game & Fish*, *Florida Game & Fish*, and *Georgia Sportsman* magazines. He has helped published four southeastern fishing guidebooks. He holds memberships in the Florida Outdoor Writers Association and Southeastern Outdoor Press Association and has won 18 Excellence in Craft awards from GOWA, FOWA and SEOPA for his writing and photography.

JUDGE # 3

Peter Gordon is the Director of Education for the Etowah Nature Center, a public/private educational center in Gainesville, Georgia. Etowah is the only SAC-accredited environmental education center in the Southeast. The northeast Georgia center serves 25,000 students from schools in northeast Georgia and metro areas, as well as provides professional development courses for teachers and programs for the general public. Gordon is president-elect of the statewide Environmental Education Alliance, a professional association.
