### JUDGE # 1

**Mel Bucklin** is a producer for Nebraska Educational Telecommunications (NET), based in Lincoln, Nebraska. For NET, she writes and produces long form productions for local, regional and national audiences. Bucklin has also worked as a copywriter for McCann-Erickson Hakuhodo, an international advertising agency in Tokyo, Japan, a television producer for KETV, and ABC affiliate in Omaha, Nebraska. In 1989, Mel formed her own production company, Bucklin Productions.

### JUDGE # 2

**John Kussnogle**, an agricultural journalist, has written about the dynamic changes in farming from state and national perspectives. He is now an associate editor for *Soybean Digest*. Kussnogle began his career at the *Nebraska Farmer*, worked for *Successful Farming* as a free-lance writer, and spent 14 years with *Farm Journal* as crops editor and a regional field editor based in Kansas City, Missouri.

### JUDGE # 3

**Joe Duggan** is the outdoors, Nebraska-at-large reporter for the *Lincoln Journal Star*. The 33-year-old reporter has covered the Nebraska Game and Parks Commission and related hunting and fishing issues for three years. Prior to working in Lincoln, Duggan covered police, courts and city hall for the *Grand Island Independent*.
